SOTER VINEYARDS | Origin Series

---

2021 Dundee Hills Pinot Noir

**THE WINE.** *The Willamette Valley is Oregon’s most recognized appellation for cool climate wines, and it is in the Northern part of this Valley where the finest vineyards are found.*

*Wines of the Origin Series are a reflection of the unique climates, geographical features, and growing conditions that embody each distinctive region where we source our grapes. Preservation of place is essential to our winemaking philosophy, and in accordance with our environmental principles, all of the vineyards we work with are at a minimum certified sustainable.*

*Historically significant in the Northern Willamette Valley, this area’s Jory soils are red-hued, iron-rich clam loam of volcanic origins. Pinot noirs from the Dundee Hills showcase bright red fruits, perfumed aromatics, opulent texture and fine acidity.*

**AROMAS**

*dark cherry  
pomegranate  
raspberry danish*

**PRIMARY FLAVORS**

*sweet red cherry  
ripe raspberry*

**SECONDARY FLAVORS**

*brie cheese  
sage*

**FINISH**

*bright and plush*

**REFLECTIONS**

*The wine shows typical intense red cherry aromas with a subtle nuance of sweet raspberry and herbs, adding interest to the aromatic profile. It is a gently structured wine that is very approachable with silky texture and a finish that is long on finesse.*

**VARIETAL**            100% Pinot Noir

**APPELLATION**     100% Dundee Hills

**VINEYARD/  
CERTIFICATIONS**   100% Speegle Vineyard  
CCOF, Organic

**ALCOHOL**            13.6%

**PRODUCTION**     350 cases

**FERMENTATION and AGING**

*traditional vinification in small, open-top fermenters  
20% whole clusters  
35% New French oak  
10 months in barrel prior to bottling*
